

Dear parent/guardian of a school-aged child:

The State of Michigan requires children to be age-appropriately vaccinated to enroll in school programs, unless a valid exemption applies*.

The following vaccinations are required for children entering KD or a Young Five programs:

- ✓ 5 doses DTap
- ✓ 4 doses Polio
- ✓ 3 doses Hepatitis B, or laboratory evidence of immunity
- ✓ 2 doses MMR, or laboratory evidence of immunity
- ✓ 2 doses Varicella, laboratory evidence of immunity, or disease history from a parent/ physician.

In addition to the above vaccinations 7th graders are required to have the following vaccinations:

- ✓ 1 dose ACWY Meningococcal Conjugate at the age of 11 years old or older
- ✓ 1 dose of Tdap at the age of 11 years old or older

*** Parents must provide their child’s school with one or both of the below two valid exemptions.**

- 1) **Non-medical Immunization Waiver Form** – The local health department must certify this type of waiver for religious or other objection(s) to vaccine(s).

To obtain a certified nonmedical waiver, a legal guardian **must schedule an appointment by calling 586 466-6840** & receive education on the vaccines waived. **Education is only available at the Mount Clemens Health Center.**

- 2) **Medical Contraindication Form** - This type of waiver is completed by a physician (MD., or DO.) verifying a medical reason that prevents the child from receiving a specific immunization(s) for a specific period of time.

It’s the parent responsibility to obtain the completed medical waiver from their doctor and submit to the school the child attends.

This form and more information can be found on the SIP visit website at:

Any child with a valid exemption to a particular vaccination is considered susceptible to that vaccine-preventable disease, and is **subject to exclusion** from the school if an outbreak of the disease occurs.
